**Be it known:**

That I, the man answering to the name **"Sandi Matic"** of **Floreat, Western Australia**, Australia, a subject of and authorised by Her Majesty Elizabeth The Second (of Great Britain and Northern Ireland), the lawful Sovereign of Australia, to act for the Crown, in respect of all offences complained of or becoming known to me in my capacity as a Commonwealth Public Official by the authority received via Certificate of Acknowledgment to Office of Commonwealth Public Official.

## Maxims of law

"An unrebutted affidavit stands as truth in commerce."
"He, who does not deny, admits."
"An unrebutted affidavit becomes a judgment in commerce."
"Sacrifice is the Measure of Credibility (No willingness to Sacrifice = No liability, responsibility, authority or measure of conviction)"

Since 10 February 2022, I have personally witnessed a number of scenarios that I believe constitute a 'breach of the peace' and 'offences committed against the Commonwealth' as per Criminal Code Act 1995 and Third Principle act of Commonwealth act; Crimes act 1914 S13 S15F, however the Office of Commonwealth Public official (CPO) was unknown to us at the time and therefore was not evoked accordingly.

## Notice of Declaration & Acknowledgement of Office

You are all hereby noticed on Public Record of the our claim to right to Invoke office of "Commonwealth Public Official" via "Notice and Declaration Of Acknowledgement "Certificate of Acknowledgment" (Annexure "A") "Notice and Declaration of Acknowledgement SM24112022CPODA" (Annexure 'B') .

Should we encounter a situation which invokes the Office of the CPO it will be our duty

to do so. We will only intervene for the protection of **all parties concerned** and not utilize the Office of the CPO for personal benefit.

The CPO is to act in a peaceful, courteous but firm manner and to assist in the maintenance of peace because on the previous occasion a number of offences had occurred and either had to be reported to the appropriate authorities or mitigated during the current hearing if the CPO was able to intervene for the protection of ***all*** parties concerned.

Should the Honourable court invite us to attend any future appointments in the Honourable Court, we will respectfully do so, as a friend of the court, the Amicus Curiae.

In the previous hearings numerous offences were committed against Commonwealth Laws which WILL be reported to the appropriate authorities, and several people harmed and incriminated themselves and others resulting in genuine damages to parties before the court, and my role going forward is to attempt to prevent any further damages and possibly mitigate some already caused at the previous hearing".

Void if prohibited by law.
